

We are very important to God!

We have the privilege of taking the good news of Jesus Christ to a lost world, to see people come out of darkness into Light, and to watch them enter into Eternal Life.

We were created to contain deity. If Christ is our Savior, God lives in us! We are a temple, not a decorative building, housing a man-made idol. But God is living and active in His temple!

Our prayers can change lives and the world! God in us and God in the heavenlies (in the invisible world), bends His ear to listen for our prayers. Our words pass from the visible to the invisible and move the arm of God. Our answers return from the invisible to the visible.

Jesus, in speaking to his disciples then and now, says six times in John 14, 15 and 16, ASK! ASK! ASK! ASK! ANYTHING! ANYTHING!

Imagine, we have been summoned to the King's presence to receive anything we ask!!!

Yet, most miss this great privilege because of unbelief and ignorance in how to pray. Let's see how our unbelief can be changed to faith and our ignorance of God's laws of prayer to effectual praying.
